AMBASSADOR PROGRAM

ABOUT YOU

There are two sections for this part of the application, in which we want to know more about you. The first consists of a series of short questions. Write your response to each question below using a separate Word document or a similar word processing software. There is a 250 word limit for each answer. You do not have to write 250 words for each answer, but this is the maximum word count for each answer.

QUESTIONS

1. Why do you want to participate in this Ambassador program?
2. What do you think are the world's most pressing environmental issues? If you could do some-thing about them, what would you do?
3. Why is leadership important?
4. List your main interests, hobbies, and other extracurricular activities in which you are involved.
5. What do you feel are your strengths or outstanding qualities of character?
6. What do you feel are your weaknesses or areas in which you wish to improve? How do you hope that being part of the ambassador program might help you with this?
7. No photography or filmmaking experience is necessary, however please list any photography, video or filmmaking experience you do have.
