Vancouver Aquarium Marine-Science Centre

Howe Sound Community Forum, October 14, 2016

**COASTAL OCEAN  
RESEARCH INSTITUTE**

## Species & Habitats

## Sense of Place & Wellbeing

## Coastal Development & Livelihoods

## Climate Change & Oceanography

## Stewardship & Governance

## Clean Water

## Seafood

# Articles = Stories

- What's happening?
- Why is it important?
- What is the connection to First Nations?
- What's the current state?
- What is being done?
- What can you do?

# Howe Sound Aquatic Forum

June 17, 2016 - socio-economic  
knowledge gathering

Discussed tourism, recreation, large  
vessel traffic, coastal development, and  
sport fishing

# Release January 2017

- Web presentation - summaries, visuals
- PDF reports - downloadable
- Printed summary
- Recommendations for individuals, organizations and governments
- Recommend a task force

Questions, comments, suggestions...
